LCWA WINE PARTNER MEMBERSHIP OPTIONS

1. Lake County Diamond Member. Hospitality Establishments and LCWA Wine Enthusiast including but not limited to: restaurants, hotels, motels, Bed & Breakfast Inns, resorts, artist galleries, wine shops, gift shops, olive oil producers, etc.

LCWA recognizes that there are businesses that have an interest in becoming members in the winery association because you're a part of the Lake County community and the Lake County wine industry. Diamond memberships are open to all business types and individuals except wineries, winegrape growers and/or wine tasting rooms. LCWA appreciates the support of our partner diamond members because you allow the association to better represent the region as a whole and a destination place to visit or live in. Together, we can offer an unforgettable experience to the consumer.

Lake County Diamond members do not have voting rights or the obligations of a full winery association membership. As appropriate and relevant, diamond members will be featured on the LCWA website, social media venues, and in promotional materials. Diamond members will also receive wine industry updates, invitations to wine events, and a special diamond member discount to LCWA hosted events and activities.

2. Obsidian Rock Member. Any organization, association, business or individual not covered in the Lake County Winery Association Winery or Diamond Categories, but who wishes to work in tandem with the efforts and activities of LCWA may join as an Obsidian Rock Member.

This membership category includes our wine industry vendors, suppliers, business partners, agencies and other wine industry organizations that can derive a benefit from a working relationship with the winery members of LCWA.

Obsidian Rock members are not voting members and do not have rights or obligations to LCWA outside of paying membership dues.

LCWA will provide up-to-date Lake County winery information and invitations to all LCWA events and activities. Members in this category can attend LCWA meetings and showcase or present their products to the LCWA membership. Obsidian Rock members also receive 4 complimentary tickets to the Wine Adventure and 4 complimentary tickets to the People's Choice Wine Awards tasting & judging.

You are our rock and LCWA appreciates your products, services and support.
